

Junior School Mouthguards

We are very conscious of the need to provide a challenging and stimulating environment in which all children can grow and develop and we are also very aware of the importance of doing this safely. To this end we have a safety policy in place that makes it **mandatory** for all pupils involved in Rugby and Hockey to wear mouth guards in practices and, of course, matches. This is a prudent precaution which we would ask you to support and reinforce with your child.

All Junior School pupils will play rugby and/or hockey at some stage during their time at the school and must have a mouth guard.

We are aware that there are a number of alternatives available and realise that many of you may wish to make your own arrangements. However, we have set up an online shop with [Grays Teamsports](#) where mouth guards and other optional sports equipment, as detailed in the [Uniform List](#), can be ordered.
