

Junior School Sports and Activities

As well as weekly timetabled PE lessons, the children participate in games on four afternoons. On Tuesdays, we organise projects which cover a wider area of interests. The pupils therefore need to always have their sports kit available.

Day pupils should bring one set of sport kit in on a Monday morning in a sports bag of their own choosing and take it home on a Friday for washing. The spare items can be kept at home and only brought in if needed. Showers are taken after games and projects.

Fixtures

Sports matches are an important part of life at The Junior School. We expect pupils to be available for selection for the matches published in the Calendar. It is easily accessible and can be downloaded to your iPhone, iPad and Android phone using this link: online.gordonstoun.org.uk/calendar. If you have any problems downloading the calendar, please contact the IT Helpdesk on ithelpdesk@gordonstoun.org.uk

All parents are very welcome to support their children in our team matches.

Mouth Guards

We have a safety policy in place that makes it mandatory for all pupils involved in Rugby and Hockey to wear mouth guards in practices and matches. For further information, please see the [Mouth Guards document](#) which can be found in the Uniform section.
