Families can either organise their own travel arrangements to and from school or arrange it through school. However, the school needs to be advised of your travel plans even if you plan to manage them yourself, so please advise both your boarding house team and the travel department by email.

If you would like support to book your flights or avail of the school transfers from airports please contact the travel team and we will be delighted to work with you.

Our local airports are Aberdeen and Inverness and these will have regular airport transfers available. For Edinburgh please check with the school for each travel day to see what is available.

Accompanied Flights between Inverness/Aberdeen to London

Since some airlines require under 16s to travel with an adult, we provide an accompanied flight service on key flights between London and Aberdeen/Inverness, ensuring younger students can travel easily to and from school. This must be booked by the school Travel Service for it to be recognised by the airline. Gordonstoun staff will take charge of pupils from, and hand over to, parents or relevant adult at the designated airport meeting point. The relevant fee will be added to your bill.

Unaccompanied Minor Arrangements & Forms

- KLM's Unaccompanied Minor Service is now available for students under 15 years of age. It is advisable to check this availability before booking.
- BA do not operate an Unaccompanied Minor Service.
Pupils under the age of 14 must travel with an adult and can be added to our escorted flight.
Pupils aged between 14 years - 16 years must have a signed Parental Consent form which they are to carry on their flights along with a copy of parent's photo ID.

Responsibility for the student then passes to the airline and the responsible person identified on the unaccompanied minor for.
