

Junior School Parent Meetings and Events

Gordonstoun Gateway/Parent Portal

The Gordonstoun Gateway is a secure area for parents, accessible from the school's website: gordonstoun.org.uk. You will receive unique login details **after the start of term** which will enable you to access student reports, useful school documents and important school announcements.

Terms and Holidays

Term dates are available on the website gordonstoun.org.uk under the Junior School menu and also on the Parent Portal.

Calendar of Events

You can access the School Calendar on your smartphone or tablet. Download it using this link: online.gordonstoun.org.uk/calendar. It contains information for the current term and is updated daily with sports matches, school events and activities. If you would like help installing the calendar please contact the IT Helpdesk ithelpdesk@gordonstoun.org.uk

Parent Meetings

Parents meetings are held each term. These have recently moved online and this has been hugely welcomed by our families in the UK and around the world. Meeting dates are published in the calendar, and parents receive emails inviting them to sign-up. Tutors, HPs and class teachers will also send informal feedback as and when necessary, and are always happy to receive requests for an update on progress.

Junior School Carol Service and Nativity

These two events take place at the end of the Autumn term in St Christopher's Chapel. Both are open to parents and light refreshments are served after the Service.

Open Weekend

The Open Weekend is held during the summer term at the end of May. The Junior School welcomes parents to see round the school as well as watch a Shakespeare drama production put on by Year 6 and sports day, which every child takes part in.
